30 DROPS COUGHS

SHIP PROGRAM WILL BE ACTED ON OCT. 31

The legislative program of the
National Merchant Marine Association,
already drawn up by the ex-
ecutive committee for presentation to
Congress, will be acted upon
October 31. Senator Ransdell, of
Louisiana, president of the association,
has called a meeting here of
the council on that date.
Virtually unanimous approval has
been given the committee's recom-
mendation that Government-owned
steel vessels of desirable commer-
cial type be sold to Americans only
as rapidly as a demand for them
develops among responsible pur-
chasers, and members of the coun-
cil are united in their opinion that
American enterprise, energy and ef-
ficiency must be given full play if
a stable American merchant marine
is to be built up.
